

The History

Get out your clubs for the 28th ZLC Foundation Charity Golf Tournament on Monday, July 8, 2013 at Richmond Country Club. The event is presented by ZLC Financial Group in partnership with CAFE Vancouver and is made possible through the support of sponsors and volunteers.

Over the years, the charity tournament has raised over \$917,000 for beneficiaries of the Foundation. Past beneficiaries include Kids Up Front, the Heart & Stroke Foundation of B.C. and Yukon and the Juvenile Diabetes Research Foundation. This year proceeds benefit BC Women's Hospital Foundation in support of the Newborn ICU, which focuses its research, teaching and care for premature and critically-ill babies.

The tournament has evolved into one of the premier golf events of the season. The mix of clients and friends creates an event that our players and sponsors look forward to. We are honoured to host the tournament at Richmond Country Club, which has been the venue of choice for a number of local and provincial championships through the years.

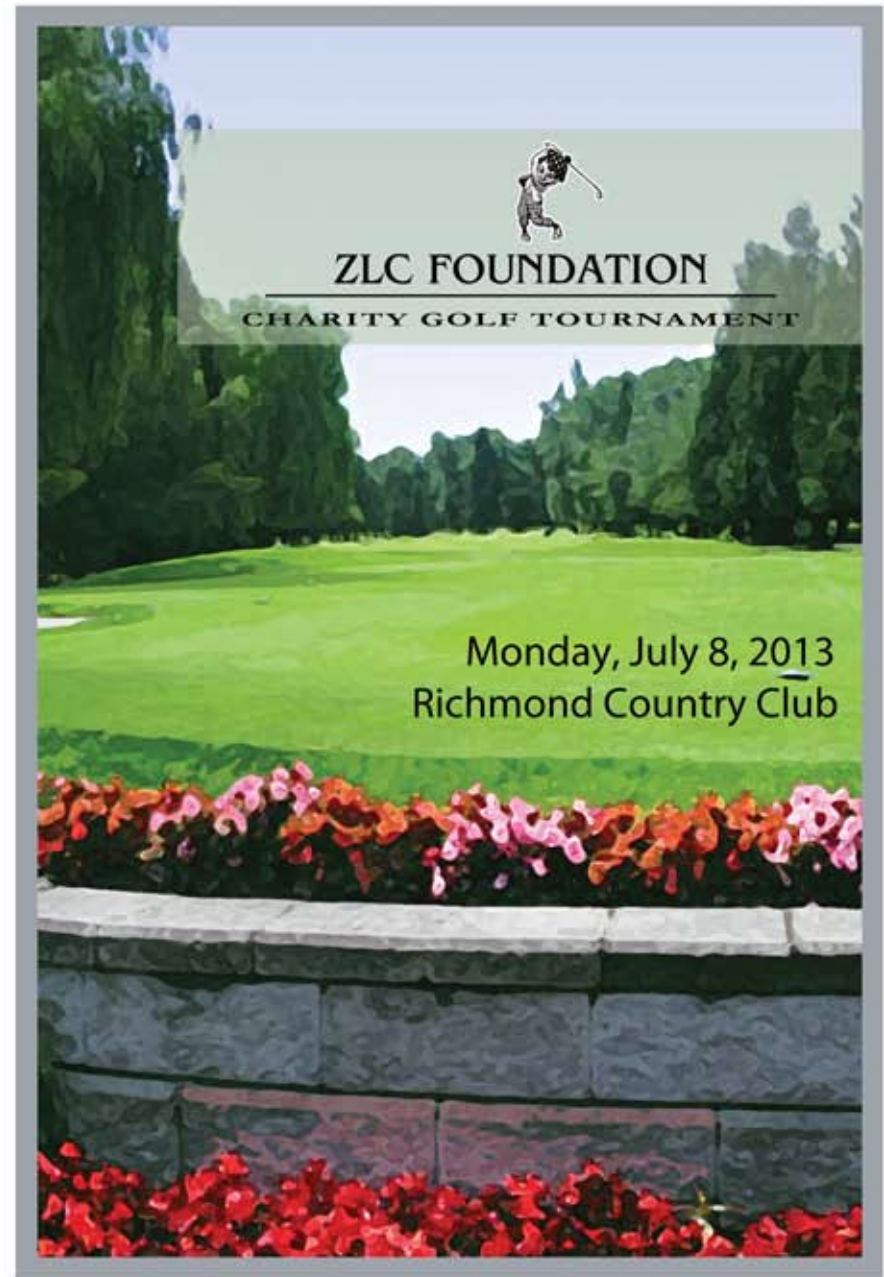

We invite you to participate in this great tournament and show your support for the BC Women's Hospital and Health Care Foundation.
